#### **Competition.**

For the second time we are opening Category C, VIDEOSUB. The "videographers" have to complete the same terms and conditions as the as the photographers. With an exception of the following terms that are exclusive to the VIDEOSUB category.

#### **1. Theme.**

The competitors have to present a video based on the theme "GÜÍMAR UNDERWATER". The videos can be edited for their final edition. The presented video should last a minimum of 2 minutes and a maximum of 4; with a maximum of 25% filming out of the water and should be edited with music ( you must tell the judges the name and singer of the song when you give in your final edition)

#### **2.Judges evaluation**

You will be evaluated according to the next criteria which are divided into three sections with the same value:

##### **A. CREATIVITY:**

**Guideline:** Theme, story line and narration. The guidelines with a submarine theme will be specially evaluated.

**Artistic evaluation:** We will evaluate the impact that the video produces. It's a subjective view of the masterpiece

##### **B. FAUNA y Plants:**

The variety of species that appear in the video will be evaluated, along with the quality of the images that are shown.

##### **C. TECHNIQUE:**

**Image:** Scale of the plan, camera movements, sharpness and lighting.

**Assembly:** Evaluation of the rhythm so it's adequate for the film and is visual narration.

**Sound track:** The chosen music will not be evaluated, however its integration in the film with regards to how it syncs with effects and content will.

**The participants should give priority to the beauty of the depths of the site, as stated in the theme of the competition "Guimar underwater "**
